STATUS CONFERENCE held in chambers. The Court is informed that the A.A.A. is without legal representative at this time. Counsel Robert Ariel Fernández, from the law firm of Lespier & Muñoz Noya, represented the A.A.A. in the appeal and it appears that he will enter an appearance on their behalf in the district court.

The plaintiff's main office was in the World Trade Center and due to the terrorist act of September 11, 2001, they lost all their files. Defense counsel will provide them with copies of his file, of the discovery and of the depositions.

A second status conference will be held on August 5, 2002, at 8:45 a.m.
